

# Oryon Imaging

Why you should refer to us

## A word from our Director, Les Clark

“Trying to get to the root of any condition is like going on a journey – most people don’t know where they are going, let alone know how to get there. We’re here to **inform, guide, educate** and provide a **great diagnostics service** in the most **affordable** and **accessible** way.”

# Our journey so far

# What we can offer you

At Oryon, we pride ourselves on offering the most accessible and affordable private MRI, Ultrasound, X-ray and DEXA scans for self-pay and insured patients, with no compromise on quality.

MRI  
from £275

Ultrasound  
from £295

X-Ray  
from £70

DEXA  
from £115

Being a CQC registered site we work within a robust clinical governance framework, so you can be reassured that we take no risks, regularly audit and fully investigate complaints and incidents.

# Why choose us?

Conveniently located in the heart of Central London, we have a dedicated, compassionate team committed to providing the best possible patient care. We also offer weekend availability, same-day appointments for MRI scans and rapid results.

**Reports in**  
1 working day

**Open 7 days**  
a week

**Secure online**  
community  
**for results and**  
referrals

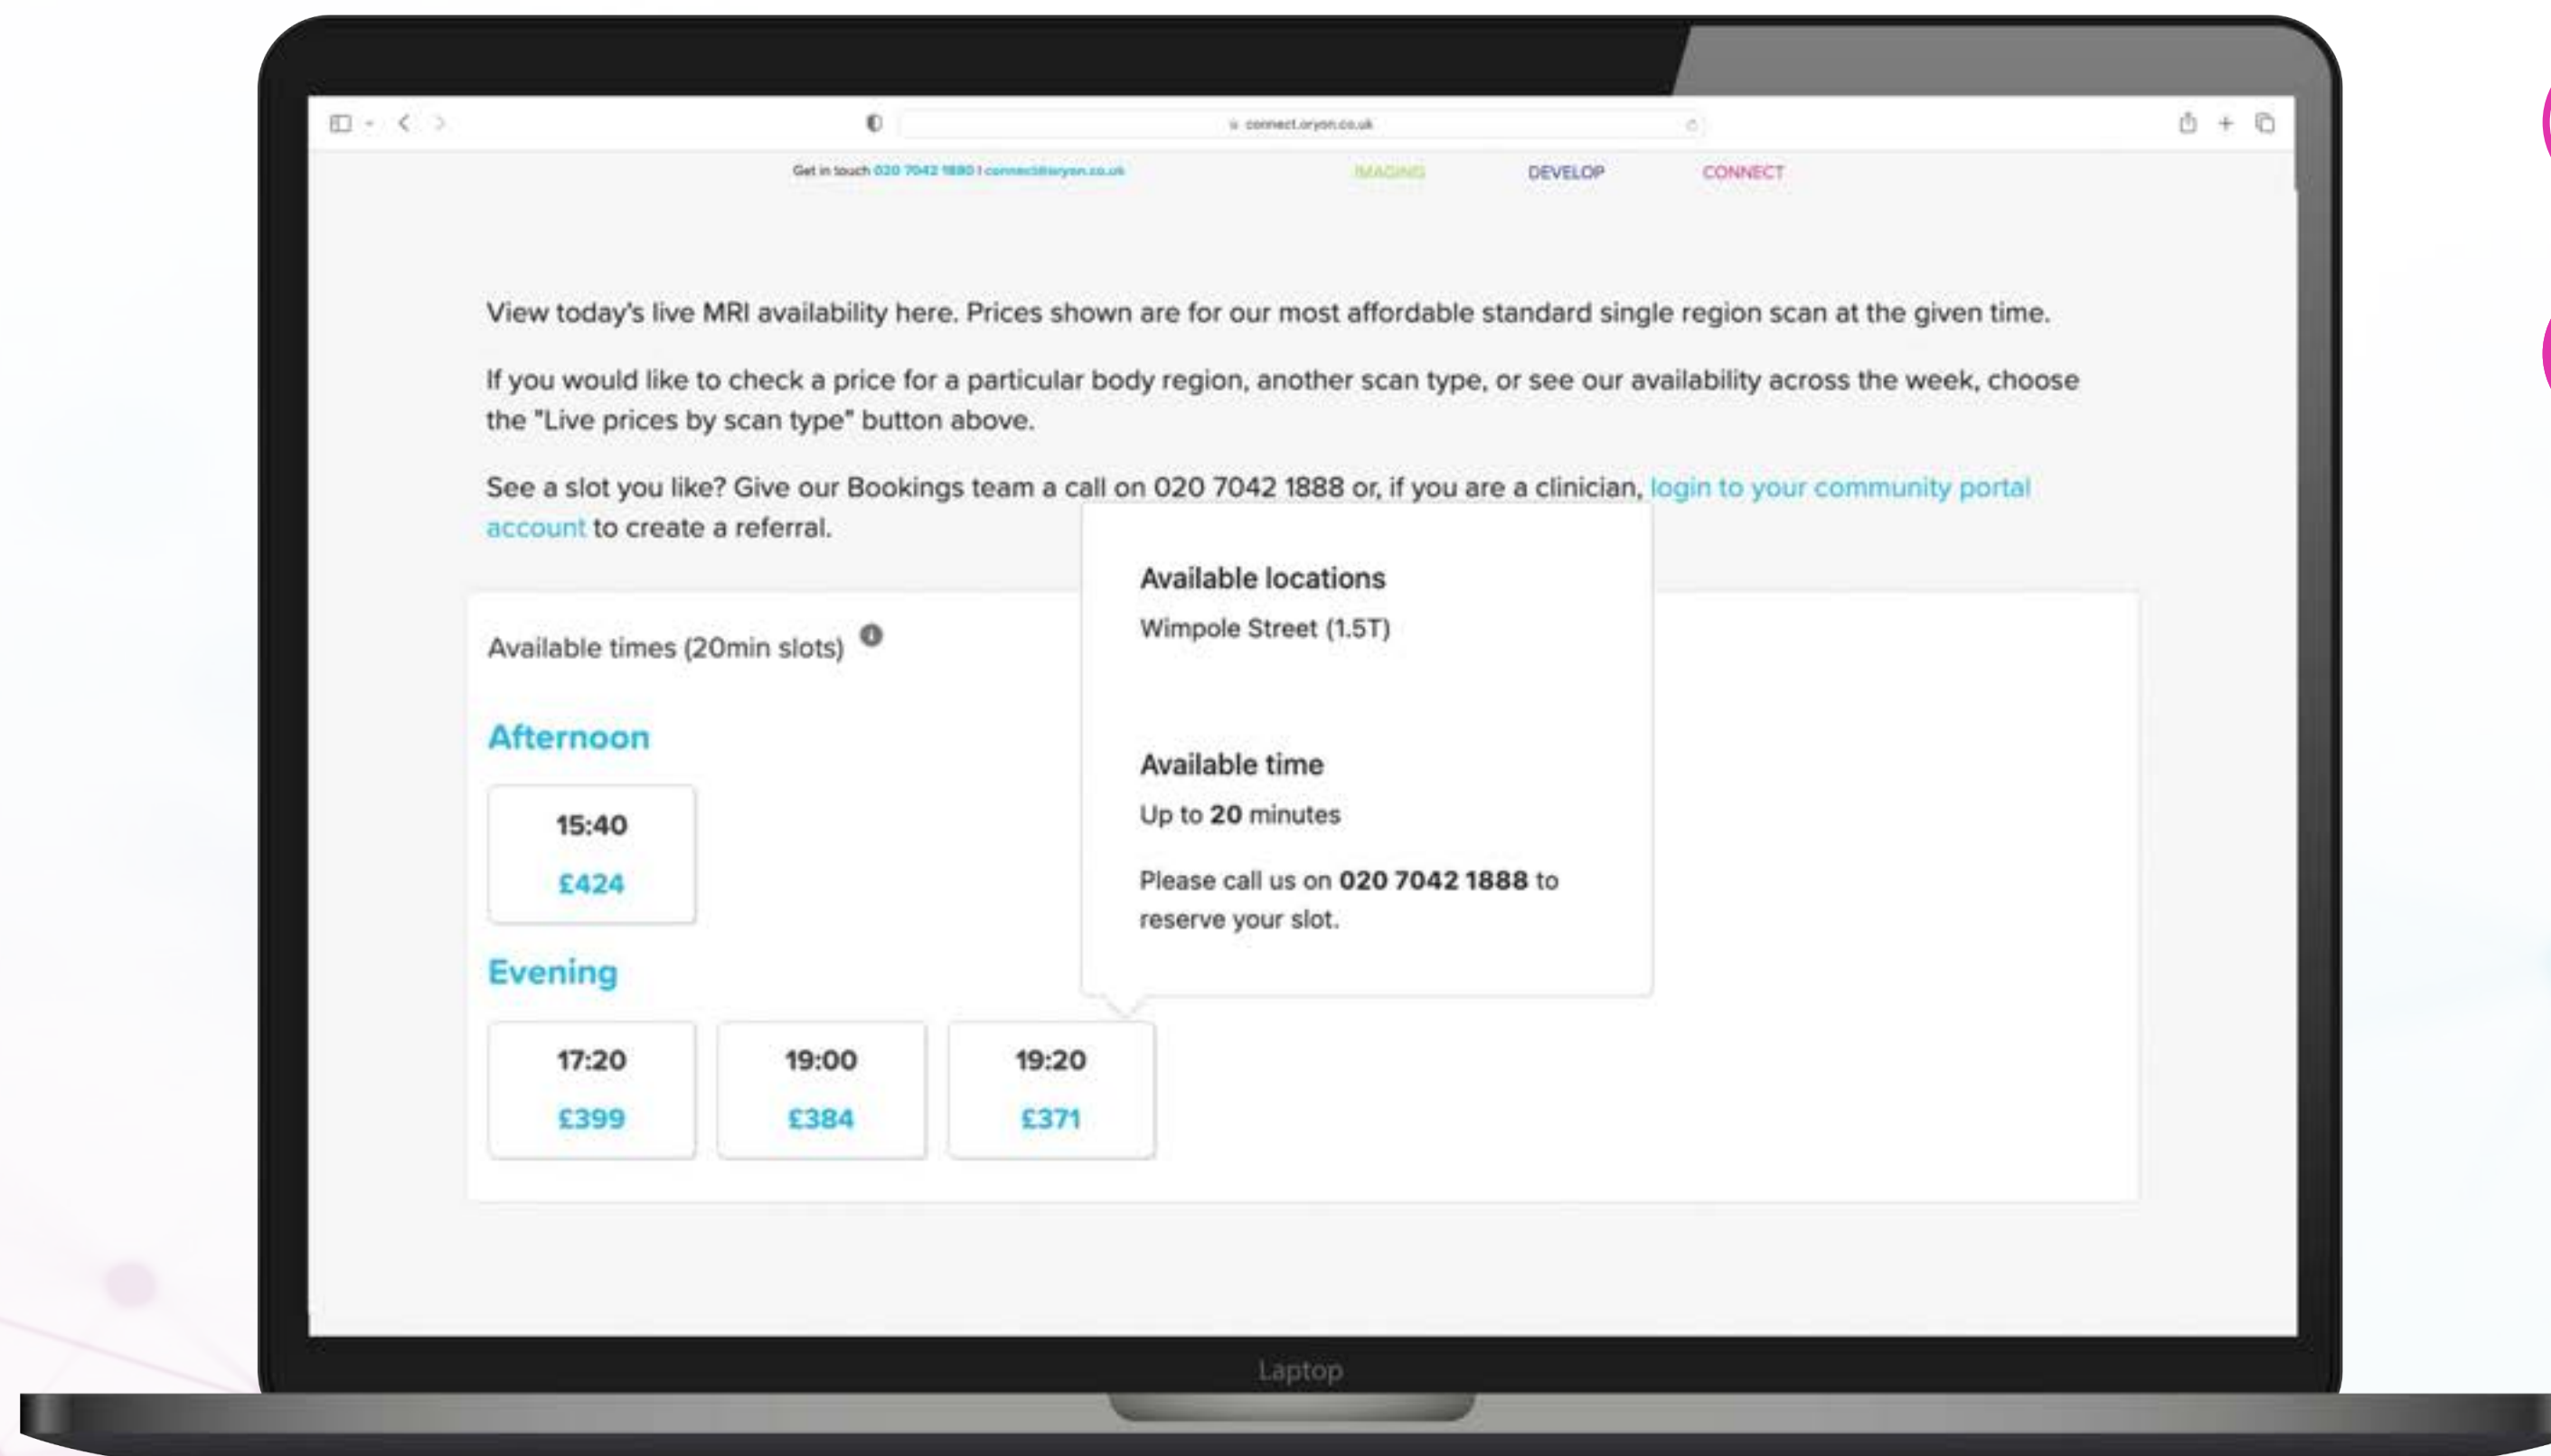

**Same-day**  
**appointments**

\*

\*Per single standard region

# Convenient same-day appointments

Get a real-time view of all of our same-day MRI availability, including what scanner type, cost and appointment time length.

Live prices by scan type

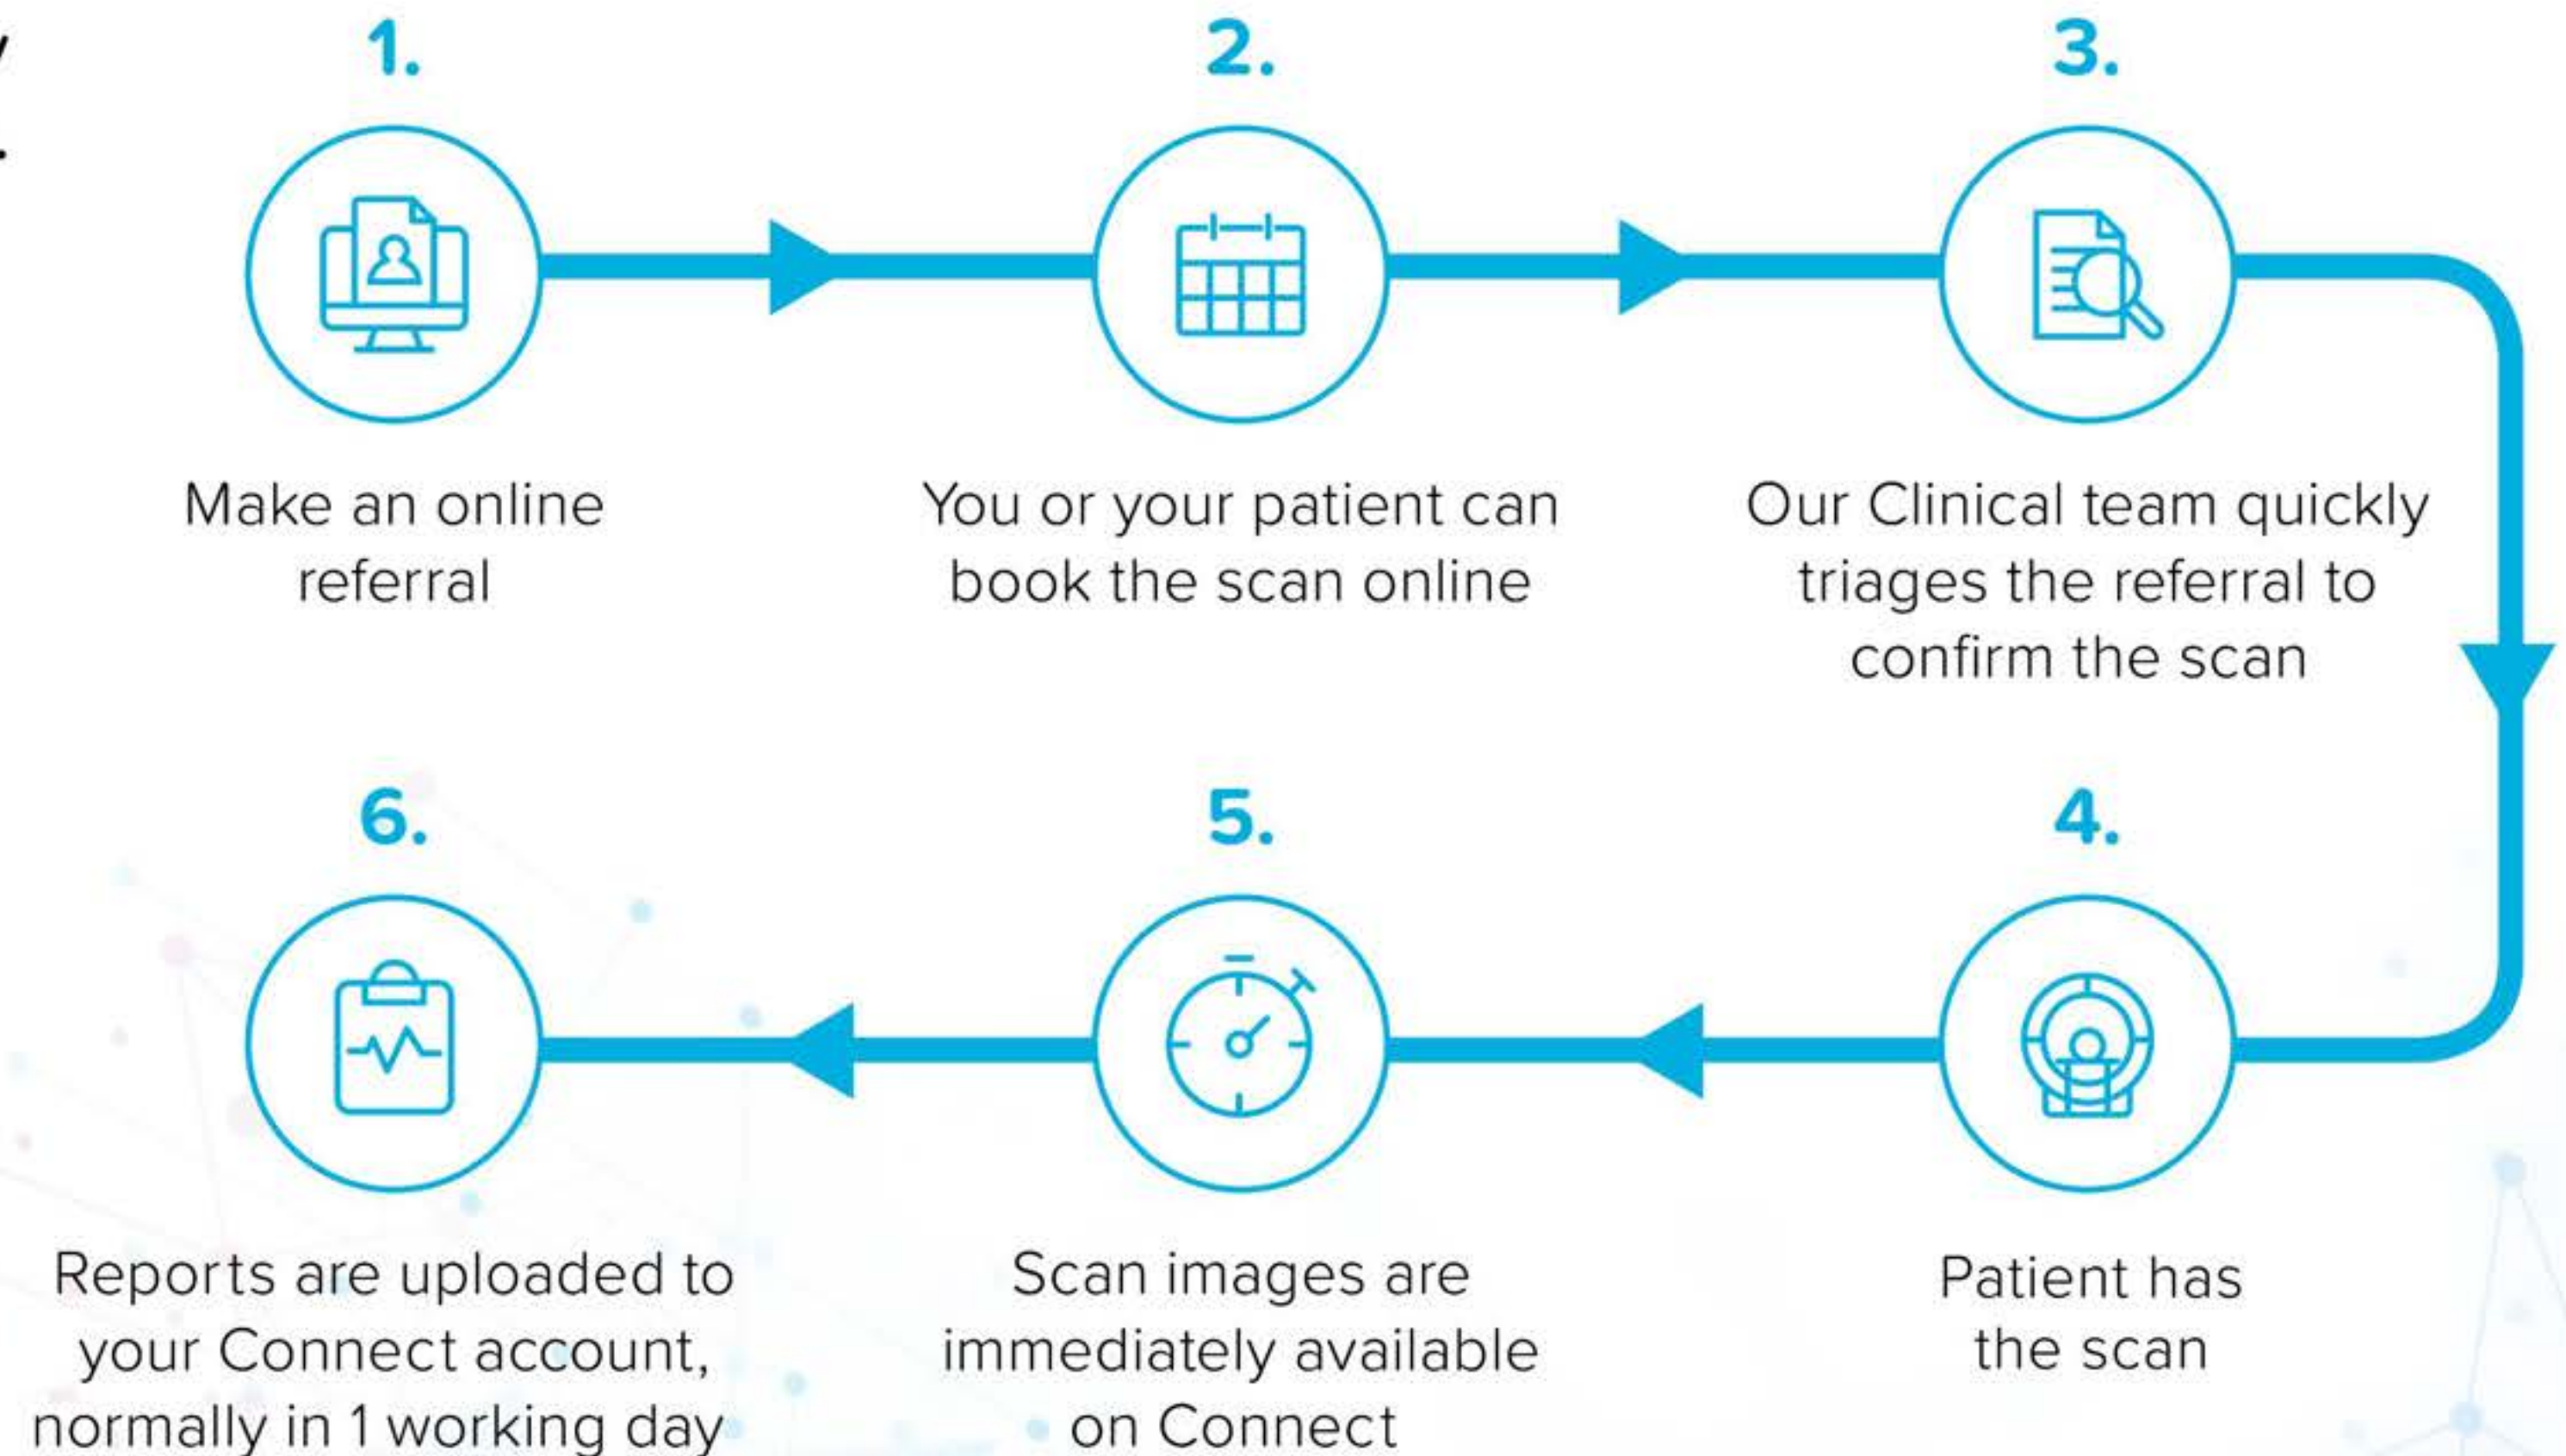

See today's MRI availability

# Patient referrals made easy and accessible

Scans are available immediately and results within 1 working day. You can refer, book and share results using our secure, online community, **Connect**.

# Our numbers speak for themselves

Since opening in 2012,

**146,505**

patients have been welcomed through our doors

**14,313**

referrers have been welcomed on board, including allied health professionals, consultants and GPs

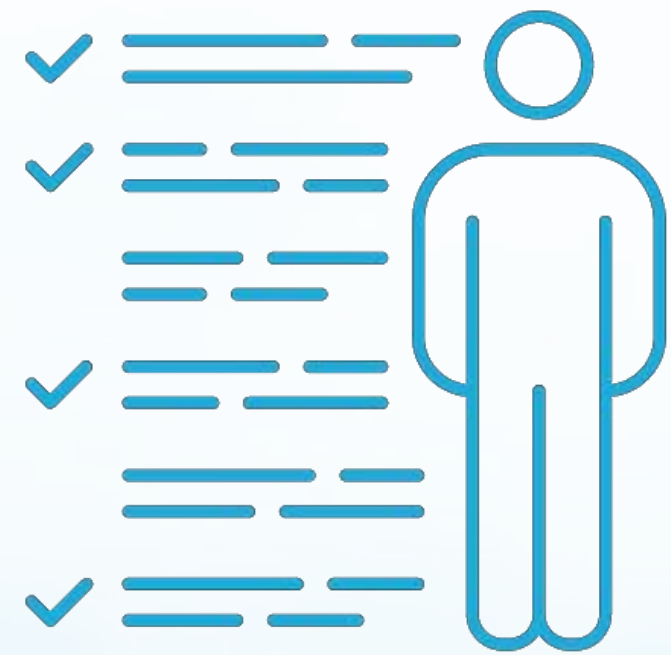

**92%**

would recommend us to friends, family or colleagues

# Our numbers speak for themselves

And just in 2023 alone,

**17,136**

scans were completed  
across our two locations

**13,785**

new patients were  
welcomed into Oryon  
Imaging

**504**

new referrers were  
welcomed on board

# Radiologists for every speciality

We work with a variety of radiologists who each have their own speciality, allowing us to match patients' clinical indications with the best radiologist to ensure the highest quality reporting.

## Dr Naeem Ahmed

Non-Executive Clinical Director

Dr Naeem Ahmed brings a wealth of experience to Oryon Imaging, having been awarded the Point of Light award from Prime Minister David Cameron and the British Empire Medal in the Queen's Birthday Honours 2019. Dr Ahmed is also Founder of Selfless, a global health NGO, co-Founder of the MedTech start-up ImproveWell and Consultant Radiologist at Chelsea and Westminster Hospital.
