# Affordable diagnostic imaging in London's Harley Street district

## MRI – X-ray – Ultrasound – DEXA

Oryon Imaging exists to make sure that the path to a diagnosis is efficient, informative and affordable. Use our secure online community, Connect, to make digital referrals, see live prices and availability, book appointments, view scan results and more, all in one place.

We are committed to providing a professional, efficient and high-quality diagnostic imaging service, offering a range of diagnostic and radiological appointments. The centre is open **8am – 10pm on weekdays** and **8am – 8pm on weekends**.

## We are conveniently located on Wimpole Street in London's W1 medical district

### By rail

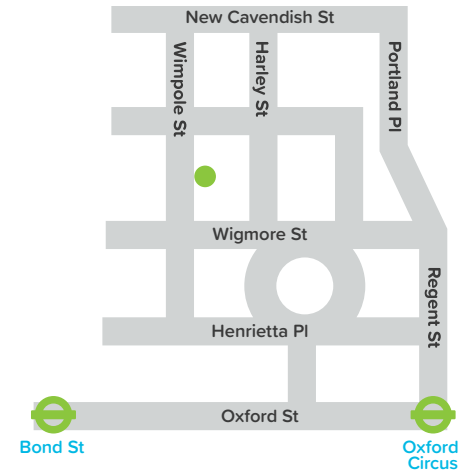

The nearest underground stations are Bond Street, (Central and Jubilee lines), and Oxford Circus, (Central, Victoria and Bakerloo lines), which are both less than 0.3 miles away. The closest railway station is Marylebone.

### By bus

Bus routes serving the centre are 205, 25, 88, 453 and C2.

### By road

There is no private parking, but there is often parking on Wimpole Street and there are several public car parks near the centre, the closest being Cavendish Square. Please note that Wimpole Street is a one-way street heading towards Marylebone.

## Convenient, affordable CPD for allied health professionals

We have a wealth of experience in delivering professional, local and affordable CPD programmes since 2010.
